

| Examination | University      | Institute  | Year | CGPA (%) |
|-------------|-----------------|--|------|----------|
| Graduation  | Anna University | Karpagam College of Engineering                      | 2026 | 8.03     |
| HSC         | State Board     | A.K.T Academic Matriculation Higher Secondary School | 2022 | 81%      |
| SSLC        | State Board     | A.K.T Memorial High School                           | 2020 | 75%      |

SKILLS SUMMARY

Languages: C, C++, Java, Kotlin

Framework: React.js, Springboot, TailWind CSS

Tools : PostgreSQL

Platforms : Visual Studio Code, Android Studio

Soft Skills : Good Communication, People Management , Adaptive Person

KEY PROJECTS

- News Reader App | Self Project

[Aug '24]

  - The News Reader App is a dynamic and user-friendly Android application built with Jetpack Compose, providing users with real-time access to the latest news from various categories.
  - The application leverages Jetpack Compose for an intuitive and attractive UI, creating an engaging reading experience while maintaining performance efficiency.
  - Technological Stack: Jetpack Compose, Retrofit, REST APIs, Kotlin, and Room Database.
- Employee Status web Site | Self Project

[Nov 24]

  - Developed a full-stack web application using **React** for the frontend and **Spring Boot** for the backend, enabling seamless employee data management with features like adding, updating, and viewing employee records.
  - Integrated **MySQL** for data persistence, dynamic forms for real-time input handling, and responsive UI design to ensure a user-friendly experience across devices.
- Portfolio Website | Personal Project

[JAN 25]

  - The Portfolio Website is a modern and interactive platform designed to showcase my skills, project in full-stack development.
  - It features a clean and responsive design, ensuring seamless navigation and a visually engaging experience across all devices.
  - Technological Stack:** React.js, Tailwind CSS.
- Food Order Website | Personal Project

[2025]

  - The Food Order Website is an intuitive and user-friendly platform that allows customers to browse menus, place order
  - Designed with a modern UI, the website ensures a smooth and engaging experience with fast loading times and responsive design.
  - Technological Stack:** React.js, Tailwind CSS, Spring boot, PostgreSQL

## CERTIFICATIONS

- Introduction to Android Mobile Application Development in Coursera [Jul '24]
- NPTEL Course on Java Programming [Apr '24]
- The Complete android and Kotlin Development Masterclass in Udemy [Sept '24]
- AI Mastery: From Search Algorithms to Advanced Strategies in Udemy [May '24]
- Completed the Python course at BYTS [Aug '23]

## SCHOLASTIC ACHIEVEMENTS

- Elite in Java Programming in NPTEL [Apr '24]
- Participant in Coding Contest (AlgoFest season 1 coding hackathon) at KIT – Kalaingar Karunanidhi Institute of Technology [Oct '23]

## EXTRA-CURRICULAR ACTIVITIES

### Technical

- Participated in Hack SIH Hackathon [Apr '24]
- Two-day Workshop on Generative AI –Attended at Anna University, [Mar '24]

### Clubs

- Active member of Tech Titans competitive programming club in Karpagam College Of Engineering [Aug '24-Present]
